## THE TELLING

\$10.00

## CLAY SUITS.

Striking advertisements count for nothing if there's nothing but the advertisement. They must have a solid backing to be effective. One of the most telling advertisements that we ever published was that of two weeks ago, on the **FARWELL CLAY WORSTED SUITS**. Telling because it truthfully told you in a few short, concise sentences of the strong points and sterling qualities which they possess. We could repeat and enlarge upon what we then said without exaggeration, but it is not necessary. The demand for the suits is fully up to our expectations, and a few days will suffice to sell the few hundred suits which we now have on hand. The coats are cut in four shapes, i. e., double and single breasted sacks, the stylish three-button cutaways, and the long, stylish Regent,—stouts, slims and regulars.

Men's Suits, all shapes, sizes 34 to 48, \$10.00
